SECOND PETITION TO WITHDRAW HOLDING OF ABANDONMENT

Attention: Office of Petitions
Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

Applicants hereby petition to withdraw the holding of abandonment set forth in the second notice of abandonment in this application mailed on October 17,

2003 for the reasons stated below. Although this petition does not require a fee, MPEP 711.03(c), nevertheless the Commissioner is hereby authorized to charge any fees associated with this petition and any accompanying papers to Jones, Day, Reavis & Pogue's Deposit Account No. 50-1432, account 555255-012125.

Pursuant to MPEP 711.03(c) and 37 CFR 1.181(a), applicants hereby request withdrawal of the second holding of abandonment of this application on the grounds that the second Notice of Allowability was not received by the attorney for the applicants, and therefore the issue fee was not timely paid, leading to the issuance of the Notice of Abandonment on October 17, 2003. A copy of the second Notice of Abandonment is attached hereto as Tab 1. Applicants respectfully assert that the application is not in fact abandoned because the applicants representative did not receive the second Notice of Allowability.

Applicants note that this is the second time that the Notice of Allowability has not been received by the applicants representative. The prior Notice of Allowability was also not received, and the case was abandoned on November 4, 2002. In response to this first notice of abandonment, the applicants' representative investigated the matter with the Examiner of record, Mr. Bradley Edelman, and then subsequently filed a Petition to Withdraw the Notice of Abandonment. This first Petition to Withdraw was granted by Special Programs Examiner Pinchus Laufer on May 30, 2003, which indicated that a new notice of allowance would be transmitted to the applicants' representative. (Tab 4) This new notice of allowance was never received and the next

paper transmitted to the applicants' representative by the USPTO was the second notice of abandonment, dated October 17, 2003.

Following receipt of the second notice of abandonment, applicants' representative immediately communicated with Examiner Edelman to determine what happened with the application. For several weeks Examiner Edelman had difficulty finding the file, US Serial Number 09/545,962, and eventually he instructed applicants' representative to contact Mr. Laufer. Applicants' representative communicated with Mr. Laufer, who also indicated his difficulty in locating the application file, and recommended that applicants file another petition to withdraw.

As required by MPEP 711.03(c), applicants enclose proof to establish non-receipt of an office communication in the form of the practitioner statement attached at Tab 2. In the statement, the practitioner states that the office communication, the Second Notice of Allowability, was not received by the practitioner and attests to the fact that a search of the file jacket and docket records indicates that the office communication was not received. A copy of the docket record where the non-received office communication would have been entered had it been received and docketed is attached to and referenced in the practitioner's statement. The practitioner's statement is deemed by the applicants to be sufficient proof of the non-receipt of the second Notice of Allowability. Therefore, withdrawal of the holding of abandonment of this application is believed to be proper and respectfully requested. Applicant additionally requests that a new, third Notice of Allowability be mailed.

Respectfully submitted,

PRACTITIONER STATEMENT OF DAVID B. COCHRAN

I hereby declare and state as follows:

1. I represent Research In Motion Ltd., the assignee, in connection with the above-referenced patent application. I am the practitioner who drafted, filed and is prosecuting this patent application.

2. On March 29, 2002, I mailed a Request for Continuing Examination, along

with an Amendment, to the United States Patent and Trademark Office in this application.

3. Subsequently, on November 4, 2002, I received a Notice of Abandonment.

4. Between March 29, 2002 and November 4, 2002, I did not receive any correspondence in this application from the United States Patent and Trademark Office.

5. Following receipt of the Notice of Abandonment, one of my associates contacted the Examiner in charge of this application, Bradley Edelman, who indicated that a Notice of Allowability had been mailed out on June 26, 2002.

6. I did not receive the Notice of Allowability.

7. I immediately initiated a search of the File Jacket for this application maintained in my office and did not find the Notice of Allowability.

8. I also initiated a search of the computerized docket records maintained in my office and determined that the docket record for this application indicated that the Notice of Allowability was never received. A marked up copy of this docket record is attached hereto as Tab 3. The position in the docket entries marked with the letter A is where the indication would have been made in the normal course of our business if the Notice of Allowability had been received. The entry marked with the letter B shows the mailing of the RCE with Amendment on March 29, 2002. The text marked with the letter C further demonstrates that between March 29, 2002 and November 4, 2002, no correspondence regarding the Notice of Allowability was received, as this would have been further noted in this Remarks section of the docket entry.

9. I subsequently filed a Petition to Withdraw the Holding of Abandonment on December 4, 2002, and the Petition was Granted by Special Programs Examiner Pinchus M. Laufer on May 30, 2003. (Tab 4 hereto)

10. Subsequently, on October 17, 2003, I received a second Notice of Abandonment.

11. Between May 30, 2003 and October 17, 2003, I did not receive any correspondence in this application from the United States Patent and Trademark Office.

12. Following receipt of the Notice of Abandonment I immediately contacted Examiner Edelman who indicated that a second Notice of Allowability had been mailed out by the USPTO.

13. I did not receive the second Notice of Allowability.

14. I immediately initiated a search of the File Jacket for this application maintained in my office and did not find the second Notice of Allowability.

15. I also initiated a search of the computerized docket records maintained in my office and determined that the docket record for this application indicated that the second Notice of Allowability was never received. A marked up copy of this docket record is attached hereto as Tab 5. The position in the docket entries marked with the letter A is where the indication would have been made in the normal course of our business if the Notice of Allowability had been received. The entry marked with the letter B shows the mailing of the first Petition to Withdraw in December 2002. The text marked with the letter C further demonstrates that between May 30, 2003 and October

17, 2003, no correspondence regarding the second Notice of Allowability was received, as this would have been further noted in this Remarks section of the docket entry.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and the such willful false testimony may jeopardize the validity of the application or any patent issuing thereon.

**DECISION ON PETITION
UNDER 37 C.F.R. § 1.181 TO
WITHDRAW HOLDING OF
ABANDONMENT**

This is a decision in response to the petition, filed December 9, 2002, under 37 CFR §1.181 requesting the withdrawal of the holding of abandonment.

The petition is **GRANTED**.

This application was held abandoned for failure to timely pay the issue fee within the statutory period of three months from the mailing date of the Notice of Allowance, on June 26, 2002. A Notice of Abandonment was mailed on November 4, 2002.

In the absence of any apparent irregularity associated with the mailing of an Office communication, the Office may presume that the communication was properly mailed to the address of record. This presumption may be overcome by showing that the Office communication was not received.

M.P.E.P. § 711.03(c), section II states:

The showing required to establish nonreceipt of an Office communication must include a statement from the practitioner stating that the Office communication was not received by the practitioner and attesting to the fact that a search of the file jacket and docket records indicates that the Office communication was not received. A copy of the docket record where the nonreceived Office communication would have been entered had it been received and docketed must be attached to and referenced in practitioner's statement. For example, if a three month period for reply was set in the nonreceived Office action, a copy of the docket report showing all replies docketed for a date three months from the mail date of the nonreceived Office action must be submitted as documentary proof of nonreceipt of the Office action. See Notice entitled "Withdrawing the Holding of Abandonment When Office Actions Are Not Received," 1156 O.G. 53 (November 16, 1993).

COPY TO CLIENT

In support of the petition, Applicant's attorney, David B. Cochran, attests that the Office action was not received, and that upon conducting a search, no record of said Office action was found in the Attorney's file for this application. Petitioner supplies a copy of the docket records for Application Serial No. 09/545,962 and states that this is where the record would have been entered in the firm's docketing system had the Office action been received and docketed. The docket record shows no entry reflecting receipt of the Office communication mailed June 26, 2002.

Petitioner has met the criteria of set out in MPEP 711.03(c) for establishing failure to receive an Office action. The petition is **GRANTED**. The Notice of Abandonment is **WITHDRAWN**.

The application file is being forwarded to the Technology Center support staff. The Notice of Allowability and Notice of Allowance and Issue Fee Due, originally mailed June 26, 2002 will be remailed with the three month non-extendable statutory period restarted to run from the date of the remailing.
